

Line Graphs 3

1. The data below lists three student's math quiz scores for nine weeks. Make a triple-line graph from the data.

Math Quiz Scores (percentage)									
Student	04/04	04/11	04/18	04/25	05/02	05/09	05/16	05/23	05/30
Martin	63	60	65	68	79	82	80	78	81
Marlene	84	85	84	82	85	94	83	85	85
Mark	67	66	62	56	60	76	55	56	53

- What trends do you notice?
- Which quiz was seemingly easier than the others?
- Describe Marlene's performance on the quizzes.
